

Team Name: EVO

Team Motto: You can do it!

Team Song: “Evolution” by *Sheryl Crow*. Chosen to represent growth, progress, and learning as a team. https://youtu.be/44yQtXxkaIU?si=REigMhcY2_8XYkrc

Team Strength: Adaptability

Team Members: Andre, Eva, Muhammad.

Our favored platform for communication is **GroupMe**.

Do your choices reflect being centered on learning about Artificial Intelligence or Computer Vision?

- Our choices focus on learning and adapting, just like AI. **EVO** and our song, “Evolution” by Sheryl Crow, show growth, our motto “You can do it!” is about sticking with challenges, and our strength, adaptability, is like how AI learns and changes with new data.
